

Allowance for the use of personal golf cars

Goal

The goal of this policy is to compensate for the cost related to the use of personal golf carts.

Guiding principles

The reimbursement must not generate revenues for the claimer.

Claims can only be made by individuals that hold positions identified in this document

Operation

The guidelines are under the accountability of the Treasurer of the Park and apply to the Board members and the Director of the Social Committee. The claimer must fill the request for allowance for use of personal golf cart form and submit to the Treasurer.

Allowance rate

The rate of allowance is \$40 per month for a maximum of \$200 per year.

Effective Date

This policy is effective November 1st 2018.
